

Amoxil 500

Why is that? Has everyone gotten so ADD that they can't concentrate on anything less than full-scale sensory visual overload and constant FX/beat repeat "live remixing" going on? To me that all sounds like makeup, covering the fact that the tunes of today suck so much that no-one wants to listen to them as they are, and even then you need E and a 10K light show rig to make you feel like dancin..
