But when I pay the bill, more often than not the woman will flake on the second date; when I go dutch (or better yet, get her to pay), more often than not I'll at least kiss her before the night's over, and get a second date

teva atorvastatin uk

Similarly, are scores high because testing is the main focus of the school, at the cost of other programs like art, music, science, etc? Until last year, the state-mandated tests were not even aligned with the state-mandated standards--the test was an off-the-shelf test that could be used by any state or school that purchased it (Now there are two tests used to come up with the API scores--one is standards-based, and one is not.) So, what we are required to teach is not necessarily tested, or tested well
