26 alternative to flomax But in doing so, aren't we missing something deeper? Something intrinsic with the experience of the moment that we are trying so hard to remove ourselves from? Wouldn't Bambi be a much less powerful film if we correctly guessed the major event of the film, rather than let ourselves feel along with the protagonist as he experienced life at its most gracious and most harsh? These are thoughts that have plagued me for a long time, and I still feel that there is so much that could be gained from trying to empathize with fiction, rather than predict it.
