159	bactrim for mrsa bacteremia	In contrast to the city's response to its injection- driven AIDS epidemic, Mayne's ordinance proceeded with great speed. The ordinance was approved in February 5, two business days after it was introduced, and was extended for an additional ninety days on April 25. It subsequently went to the planning commission for permanent addition to the planning code. In April 2003, more than a year after the ordinance was first approved, Casa Segura obtained a conditional-use permit from

the planning commission and received approval from the city council to operate.
